Dear Mr. Martin:

As Operations Team Manager at Belk #0341, I recently had the opportunity to work with Randy Black as a representative of JBI Electrical Systems, Inc. during our store's remodel. Mr. Black was knowledgeable about the overall project and able to answer any questions that I had during the process.

While in our store, Randy was respectful and friendly to our associates, as well as our customers. He was careful around our merchandise and fixtures and extremely accommodating when working with our schedules to minimize any negative impacts the remodel could have potentially had on our business.

I appreciate Randy's professionalism and would welcome the opportunity to work with him in the future. If I can be of further assistance, please contact me via the information listed below.

Sincerely,

Robyn Spurgeon
