Jack Martin  
JBI Electrical  
5631 Stratum Drive  
Fort Worth, Texas 76137

Ref: Kroger 509

Dear Jack,

We all know how challenging Kroger 509 has been but through all the difficulties I wanted to let you know that Mike Broom, JPaul Tolbert and the rest of the JBI team did an outstanding job. JBI was one of the few shining stars on this project and I look forward to working with your team on future projects.

Sincerely,

Joey Johnson  
Senior Project Manager
