Subject: Appreciation

I would like to extend my sincere appreciation to you and your company for the exemplary Electrical team that you placed at the T1764 Target store in Plano, Texas.

My special thanks goes to Troy Courville, Superintendent, who made the Fixture Electrical installation process run smoothly from beginning to end.

This was only accomplished due to Troy's superb leadership qualities, His Electrical skills and His unrelenting desire for perfection.

Thanks and I look forward to working with your company again.
